Equilibria
2022

About Us

ABOUT EQ

Equilibria is the annual social and cultural festival of Symbiosis School of Economics. It's a month filled with the magical work of different artists, poets, singers, dancers, you name it and we give a competitive platform for them to display their talents.

From the magic of the brush of a painter to the magic in the voices of exquisite singers. From speakers engaging in block and tackles to gamers displaying their gaming capabilities. This diversity of events under this mini fest is brewed by our specialists on the field.

Equilibria 22 brings forth the chance to participate in these events and let the world know of your talent and magic that you spread through your craft.

We at Symbiosis School of Economics, present to you

"EQUILIBRIA 2022: "EXPERIENCE MAGIC IN THE ORDINARY"

ABOUT EQ 2022

What is Magic?

Magic is nothing but the ordinary combined with a dash of perspective, a pinch of excitement, and a sprinkle of moments that make it special. It isn't just witches or wizards or spells. It lies in memories, it lies in little things, it lies in us.

Watch with glistening eyes, look beyond the literal, and seep in every moment. The show is about to begin.

Magic begins here. Magic begins now. Magic begins with Equilibria.

Beyond D STREET

"The boldest of ideas can champion the greatest of fortunes when under the perils of obsolescence."

The ability to transcend all odds and yet to continue unswayed is what defines the ones who stand out.

The only route to discover the limits of the possible is to go beyond them into the impossible.

ABOUT THE EVENT

GENERAL GUIDELINES:

1. Team Size – 2 to 4 members
2. Each team needs to come up with a team name while registering which will be further used to represent teams.
3. Each team is expected to assign one teammate as a Leader, who will be responsible to communicate throughout the event.
4. Points from all rounds would be added to decide the winner.

ROUND 1: IDEA LAUNCHPAD

Each team is required to identify a loophole/gap in the infrastructure anywhere within India. The team would then propose an infrastructural megaproject to fill that gap. For example, it could be a bridge, a skyscraper, a tunnel, some kind of transportation system and anything in between to address related issues like high population densities, traffic congestion etc. The proposal can be submitted in the form of a report or a ppt.

The proposal should clearly include:

1. The identified infrastructural gap and all related details.
2. The proposed infrastructural megaproject.
3. How the proposed project is solving the gap/loophole.

Modern problems require creative solutions, so put on your thinking caps and become the future of innovation in infra.

Submission Deadline for Round 1: 28th February '22

ROUND 2: BID TO WIN (SECRET AUCTION)

The selected teams will have a secret auction wherein each team will be investing in the other team's proposed idea based on the validity, feasibility, problem-solving and creativity of the idea proposed. The team which bids the most on the highest bided team wins this round.

ROUND 3: TAKE-OFF (IDEA PRESENTATION)

Each will get 5 minutes to present their idea pitch to the judges who will also invest the allotted sum in projects they like best based on the given criteria.

The team which has the highest bid wins this round.

In pursuit of DISPUTE

ABOUT THE EVENT

STRUCTURE:

1. Number of Rounds – 2
2. Individual Participation.
3. Eight participants will be qualifying for the Final Round.
4. Three panellists will be judging the event.

FORMAT:

Block and Tackle Block and Tackle is a shift away from traditional forms of debating to incorporate an engaging, dynamic style of competition. Speakers would be required to speak For & Against a motion* given to them within a prescribed time period. The speakers will then be judged based on their content, flow, the relevance of a speaker's arguments to their motion, and the ability to deliver a balanced stance for both sides of the motion while integrating creativity and ingenuity.

RULES AND REGULATIONS:

1. The speakers will be given a total of 7 minutes to prepare. The motions will be randomly assigned, one by one to each speaker on the basis of a shuffling system.
2. Individual Speaker Time for the First Round is 3 minutes and for the Final Round is 5 minutes.
3. The Moderator will signal the speakers to change their stance while delivering their arguments.
4. The speakers start by speaking for the motion, when the Moderator signals block, the speakers have to flip their stance on the motion assigned to them. When the Moderator signals tackle, the speakers have to revert back to their original stance.
5. The Moderator may signal the speaker to switch between stances 4-5 times within the allotted time.
6. Exceeding the prescribed time limit of speech may lead to the deduction of points as per the judges' discretion.

motion* - The motion is the topic under dispute in a block and tackle competition. It is given as a statement that the speakers must argue in favour of or against.
